SpecSHIELD™ Sneeze Guards

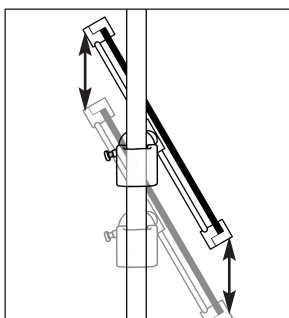

Pull knob for angle adjustment of panels

- Adjusts in 15° increments.

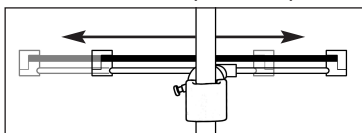

Thumb key for height adjustment or removal of assembly

- Loosen and adjust height of sneeze guard assembly.
- Loosen all the way to separate both halves of split casting, allowing for removal of entire sneeze guard assembly and adjustment of height.

Thumb screws for adjustment of panels

- When loosened, adjacent rod can slide freely inside the housing, allowing for movement of panel without the need to move or take apart the split casting.
